## **PERMISSION TO PUBLISH STUDENT IMAGES AND WORK**

Dear parent/carer

Your permission is sought for the College to publish video or photographic images of your child and/or samples of your child's school work to be used by the College and the Department of Education for purposes including promoting the College, College events and student achievements.

Your child's image and/or school work may be published for the above purposes in a range of formats such as hardcopy and digital, audio and video file formats, and published through a range of media including but not limited to College and Department of Education newsletters, websites, social media (e.g. Facebook, Instagram, YouTube etc.), third party applications and local or state newspapers, which may enable viewers/readers to identify your child.

The College will endeavour to limit identifying information that accompanies images of your child or child's work; however, there will be occasions when your child's name, class and school may be published along with images.

If you agree to this use of your child's image and work, please complete the consent below and return this whole permission form to the College. Once signed, the consent will remain effective until such time as you advise the College otherwise.

Matthew Paton  
Principal  
Gilmore College
